# What's Y'sdom?

**Y'sdom is a fellowship for adults, working together based on the teaching of Jesus Christ.**

Supporting worthy organizations locally, nationally and internationally. As part of ongoing relationship either provide direct help or raise funds for the organizations.

Y'smen's clubs help and support humanitarian organizations, especially YMCA and other organizations which works for the benefit of children and young people.

We form networks and fellowship for families, couples and single people.

# What is important in a Club?

## **A good life in the club.**

Please prioritize democratic principles high. Arrange free elections of leaders, debate issues in a constructive manner and in a good debate spirit, "*talk nice to each other*".

Show respect and share responsibilities and tasks between the members.

That each member feels comfortable in the club.

Diverse and interesting program.

# What is good leadership?

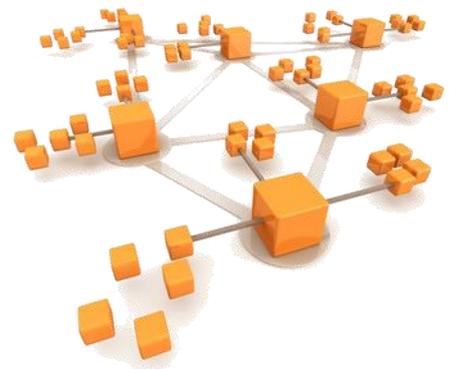

Among other things **training**. As a leader you 1) you participate in training opportunities in the district or region, 2) train club members so they understand Y's Men's movement, its structure, funds and programs, for example *Time of Fast Global Fund (TOFGF)*, the *Brotherhood funds (BF)* Y's Extension Support Program (YES), Endowment Fund (EF), Alexander Sholarship Fund (ASF).

Strengthen and improve your personal development. Take care that camaraderie and fellowship in the club is working, and to show empathy.
